The Honorable Jessica G. L. Clarke  
United States District Judge  
United States District Court  
Southern District of New York  
500 Pearl St.  
New York, NY 10007-1312

**MEMO ENDORSED**

**Re: *United States v. Isaac Briggs III & Derrick Hodge, 23 Cr. 644 (JGLC)***

Dear Judge Clarke,

I write regarding my representation of Mr. Hodge in the above-referenced matter. As ordered at the status conference held on May 13, 2024, the motions schedule in this case is currently set as follows: defendants' motions due by July 12, 2024, government response due by July 26, 2024, and defendants' reply due by August 2, 2024.

In light of additional discovery produced to the defense on June 27, 2024, and further anticipated productions within the next couple weeks, I respectfully request that the Court adjourn the motions schedule for two weeks, with defendants' motions due by August 12, 2024, government response due by August 26, 2024, and defendants' reply due by September 2, 2024. The reason for this request is to allow the defense more time to receive, review, and consider the recent and forthcoming discovery materials as part of any submission(s) to the Court.

Counsel for Mr. Briggs, Kristoff Williams, Esq., and the government, through AUSAs Rebecca Delfiner and William Kinder, each informed me they consent to this request. Additionally, the parties' consent to the exclusion of time under the Speedy Trial Act, pursuant to 18 U.S.C. § 3161(h)(7)(A).

Thank you for the Court's consideration.

Application GRANTED. The defense pretrial motions deadlines are EXTENDED as followed: Defendant's motion(s), if any, shall be by August 12, 2024, Government's responses shall be filed by August 26, 2024. Defendant's reply shall be filed by September 2, 2024. The Clerk of Court is respectfully directed to terminate the letter motion at ECF No. 27.

Dated: July 10, 2024  
New York, New York

SO ORDERED.

A handwritten signature in blue ink that reads 'Jessica Clarke'.

JESSICA G. L. CLARKE  
United States District Judge

cc: Counsel of record
